Heat Detection

Night Vision 82ft/25m

Warning Spotlight

\* Please pair the camera to your recorder using the free Homeguardsafe app. Combines with Homeguard smart HD security system model: HGNVK-88002P / 88004P / 88006P.

# Keep watch without wires 24/7

It's Your **Eyes & Ears**, 100% Wire-Free Camera goes Anywhere to Protect Your Home

## Convenient Rechargeable Batteries

Quick-release power pack makes charging fast & easy with long battery life, takes the expense out of security. Weather-resistant battery-operated cameras can mount anywhere.

## Keep Intruders Away

Once triggered, the super bright spotlight turn on, powerful siren sounds & built-in 2-way audio means you can talk back to scare off intruders & help you indentify whats happening.

## Advanced Smart Detection

Never miss a thing with accurate motion alerts. Homeguard's smart heat & motion detection records & sends push notifications when it detects heat from warm objects, like people & cars.
